Donna Cilensek

Project Manager

GDOT Design

Ms. Cilensek has been working in the furniture industry as a space planner, designer, account manager, and project manager for over 30 years. She enjoys meeting new people and working with others. Donna strives to keep clients up to date with current trends and new products that are available. Working closely with clientele, she will determine their needs and develop work station typicals and furniture plans accordingly. Each project is unique, making every day interesting.
