Leadership Experience

experience

American Interiors | Cleveland, Ohio | 2018-2019

As an interior designer, I participated in client meetings and showroom tours; assisted in furniture recommendations; completed drawings and specifications based on the architectural background parameters and budget constraints provided by the client.

Steris Corporation | Mentor, Ohio | 2016-2018

In my role as a planning designer at Steris, I completed drawings based on mark-ups and proposals generated by the sales; coordinated with lead and senior designers to submit plans; communicated with field teams to resolve layout concerns and opportunities; developed training tools for new hires.

Jencen Architecture | Cleveland, Ohio | 2015-2016

As an interior designer, I completed site surveys; feasibility plans and construction documents for retail spaces; coordinated with consultants and clients; met with manufacturer's reps; consistently maintained a fast-paced time line daily.

Joann Stores | Hudson, Ohio | 2011-2015

Working as the Store Planning Coordinator, I completed the production, distribution, implementation and after-action of 30-40 remodel and new store construction projects each fiscal year; maintained cross-functional department relationships; mentored Store Planning Intern in project schedule; completed plans and coordination for a high priority, quick turn-around project directed by the CEO.

Jillian Bujnak

Interior Designer
GDOT Design

Mrs. Bujnak enjoys building relationships with clients and bringing their vision to life. Jillian has a passion for design and taking an ordinary space and making it memorable. As part of the procurement department, she helps with furniture selection and finishes while maintaining budget requirements. Mrs. Bujnak also utilizes her understanding of the design development process by assisting the Architects in creating construction documents to ensure coordination between architecture and interior design.
